**PROXY STATEMENT**  
**ANNUAL MEETING OF SHAREHOLDERS**  
**OREGON BANCORP, INC.**  
**April 22, 2020**

Oregon Bancorp, Inc. is an Oregon corporation. As used in this Proxy Statement, the terms “the Corporation,” “we,” “us” and “our” refer to Oregon Bancorp, Inc., and the terms “Board of Directors” and the “Board” refer to the Board of Directors of Oregon Bancorp, Inc.

**Summary**

We are holding the annual meeting of shareholders at 5:30 p.m. on April 22, 2020, at the Keizer Branch of Willamette Valley Bank located at 5140 River Road N, Keizer, Oregon, 97303. Only shareholders of record or joint holders as of the close of business on the Record Date, or a person holding a valid proxy for the Annual Meeting, may attend the meeting.

At the meeting we will ask you to vote on the election of ten directors and the ratification of the appointment of Moss Adams, LLP as the auditor for the Company for 2020. We have no knowledge of any other matters that may be properly presented at the Annual Meeting.

We are providing you this proxy statement and proxy to provide you with important information about the business to take place at the meeting and so you will be fully informed when you vote your shares.

If you owned shares of common stock of record as of February 27, 2020 and you are the registered owner of the shares, you may vote at the annual meeting. If your shares are held by a bank, broker or other nominee holder (in “street name”), you must give voting instructions to your broker or other nominee holder and you must contact that nominee holder to change your vote or revoke your proxy. If your shares are held in street name, you will not be able to vote your shares or change your vote at the meeting unless the nominee holder provides you with certification that the nominee will not include your shares in the nominee’s proxy.

To have a quorum to conduct business, a majority of the outstanding shares must be represented at the meeting, in person or by proxy. An abstention from a given matter will not affect the presence of the shares as to the determination of a quorum.

The Board of Directors is soliciting proxies to be used at the meeting. You do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy. You may still attend the meeting even if you have submitted a proxy.

We are making this notice of annual meeting of shareholders, proxy statement and form of proxy available to shareholders on or about March 03, 2020. We are paying the entire cost of proxy solicitation including expenses incurred by banks, brokers, and other nominees in forwarding soliciting materials to their principals and obtaining authorization for the execution of proxies.

## VOTING AT THE ANNUAL MEETING

### **Who may vote?**

You are entitled to vote at the meeting if you were a shareholder of record of the Corporation as of the close of business on February 27, 2020 (the “Record Date”).

### **Voting by proxy – registered owners**

You do not have to attend the meeting. You may vote your shares by proxy if you wish. If you are the registered owner of your shares, you may mark the enclosed proxy to indicate your vote on the matters presented at the meeting and the individuals whose name appears on the proxy will vote your shares as you instruct.

If you are the registered owner of your shares and you submit a signed proxy with no instructions, the named proxy holders will vote your shares in favor of the Board of Director nominees, appointment of the Corporation’s auditor for 2020, and, in the discretion of named proxy holders, on such other matters that may be considered at the shareholder meeting. The Board of Directors has named Joseph J. Minniti and Ryan K. Dempster as the proxy holders. Their names appear on the proxy accompanying this proxy statement. You may name another person to act as your proxy.

### **Voting by “street name” owners**

If your shares are held by a bank, broker or other nominee holder (in “street name”), you must give voting instructions to your broker or other nominee holder and you must contact that nominee holder to change your vote or revoke your proxy unless the nominee holder provides you with written certification that such nominee will not vote your shares at the meeting. If your shares are held in street name, you will not be able to vote your shares or change your vote at the meeting unless you provide the foregoing written certification from the nominee holder.

### **Revoking a proxy**

You may revoke your proxy at any time before the vote is taken at the meeting. You may revoke your proxy by submitting a proxy bearing a later date or by notifying the President and Chief Executive Officer of Oregon Bancorp, Inc. (personally, in writing or by mail) of your wish to revoke your proxy. You may also revoke your proxy by oral request if you are present at the meeting. If your shares are held in “street name” you may not change your vote or revoke your proxy at the meeting. You will need to contact the nominee holder of your shares to revoke your proxy or change your vote.

You may still attend the meeting even if you have submitted a proxy. You should be aware that simply attending the meeting will not, of itself, revoke a proxy.

***Even if you plan to attend the meeting, please vote your proxy online or complete, date, and sign and return it promptly using the postage-paid envelope distributed with the meeting notice.***

### **Number of shares that may vote**

The authorized capital stock of the Corporation consists of 10,000,000 shares of common stock. At the close of business on the Record Date, there were 2,348,347 shares of common stock outstanding and entitled to vote at the meeting.

### **How the quorum is determined**

Shareholders holding at least a majority of the outstanding shares of common stock must either attend the meeting or submit proxies to have a quorum. If you come to the meeting or submit a proxy but you abstain from voting on a given matter, we will still count your shares as present for determining a quorum. We will also count broker non-votes as present for establishing a quorum. A broker non-vote occurs when a broker or other nominee holder, such as a bank, brokerage firm or other nominee holder, submits a proxy representing shares that another person actually owns, and that person has not given voting instructions to the broker or other nominee. On some matters, such as an advisory vote on the ratification of the appointment of auditors, a broker or other nominee can vote those shares without instruction from the beneficial owner. On other matters, including the election of directors, a broker may only vote those shares if the beneficial owner gives the broker voting instructions.

### **How votes are counted**

The named proxy holders will vote your shares as you instruct on your proxy. We will not count abstentions for or against a matter submitted to a vote of shareholders. Each share is entitled to one vote for each matter of business considered and voted on at the meeting. A broker or other nominee cannot vote on the election of directors without directions from the beneficial owner.

### **Counting votes in the election of directors**

Directors are elected by a plurality of votes, which means that the nominees that receive the most votes will be elected as directors, regardless of how many votes each nominee gets. You may not cumulate your votes in electing directors, but rather, you may vote the total number of shares that you own for each open director position. Abstentions and broker non-votes will have no effect on the election of directors because directors are elected by a plurality of the votes cast.

### **Counting votes for the ratification of the appointment of independent auditors**

To approve the ratification of the appointment of independent auditors, more votes must be cast in favor of the proposal than votes cast against, regardless of the number of votes cast. Abstentions will have no effect on the ratification of the appointment of independent auditors because abstentions will not be included in tabulations of votes cast for purposes of determining whether the proposal has been approved. Broker non-votes will have no effect on the ratification of the appointment of independent auditors because brokers or nominees have discretionary authority to vote on the proposal.

### **What if I do not mark my proxy?**

If you submit a signed proxy without giving voting instructions, the named proxy holders will vote your shares in their discretion. Those individuals named on the enclosed proxy intend to vote in favor of the Board's nominees for election as directors and in favor of the ratification of appointment of independent auditors. If you do not sign your proxy, we will not count you as present for determining a quorum and we will not count your votes.

### **How many shares do the directors and officers own?**

As of February 27, 2020, directors and executive officers of the Corporation beneficially owned 626,882 shares, of which 626,882 are entitled to vote. Those shares constitute 26.69% of the total shares outstanding and entitled to be voted at the meeting. We expect all directors and executive officers to vote in favor of the proposed actions, but they are not obligated to do so.

## **Annual report to shareholders**

The Annual Report for the Corporation for the year ended December 31, 2019, including financial statements, is now available to all shareholders. You may obtain additional copies of the Annual Report by writing to Ryan K. Dempster, President and Chief Executive Officer, at P.O. Box 2747, Salem, Oregon, 97308. This summary financial information is not part of the proxy solicitation materials.

## **BUSINESS OF THE MEETING**

### **Agenda Item 1. Election of Directors**

Directors are elected by a plurality of votes, which means that nominees receiving the most votes are elected, regardless of how many votes each nominee receives. You may not cumulate votes in the election of directors. Rather, each shareholder may cast votes for each of the open positions equal to the number of shares held.

The Board of Directors nominates the following individuals for election to serve one-year terms. All of the nominees are currently serving as directors.

The Board of Directors has selected the firm of Moss Adams, LLP ("Moss Adams"), the Corporation's independent auditors for the year ended December 31, 2019, to act in such capacity for the fiscal year ending December 31, 2020, and recommends that shareholders vote in favor of ratification of such appointment. Moss Adams has served as the Corporation's independent auditor since 2009.

Shareholder ratification of the selection of Moss Adams as our independent auditors is not required by law, by our bylaws or otherwise. The Board of Directors' Audit Committee is directly responsible for the appointment, compensation and oversight of the audit work and the independent auditors. The Board will consider the results of the shareholder vote on this proposal

and, in the event of a negative vote, will reconsider its selection of Moss Adams. However, the Board is not bound by the shareholder vote.

Even if Moss Adams' appointment is ratified by the shareholders, the Board may, in its discretion, appoint a new independent registered public accounting firm at any time if it determines that such a change would be in the best interests of the Corporation and its shareholders.

*The Board of Directors recommends a vote “**FOR**” the ratification of Moss Adams as independent auditors.*
